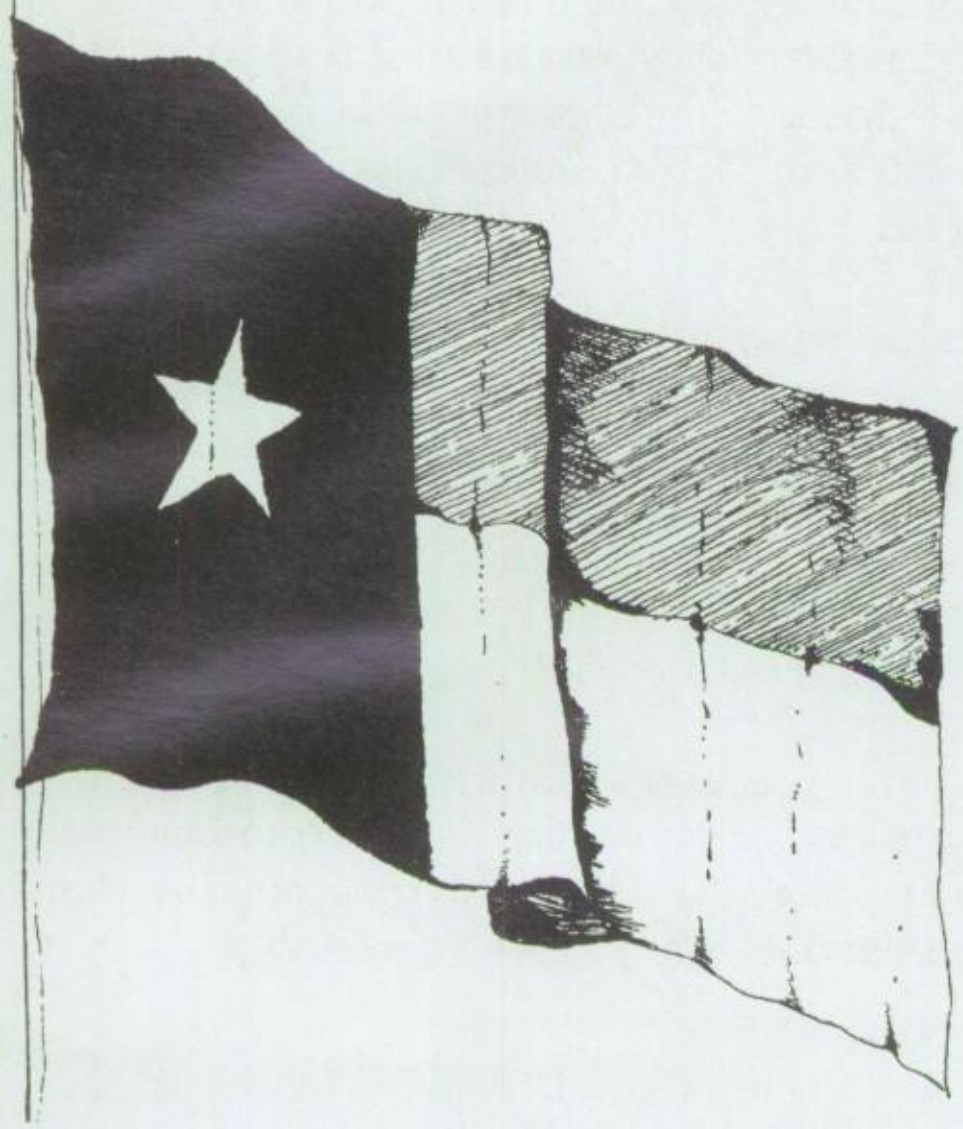
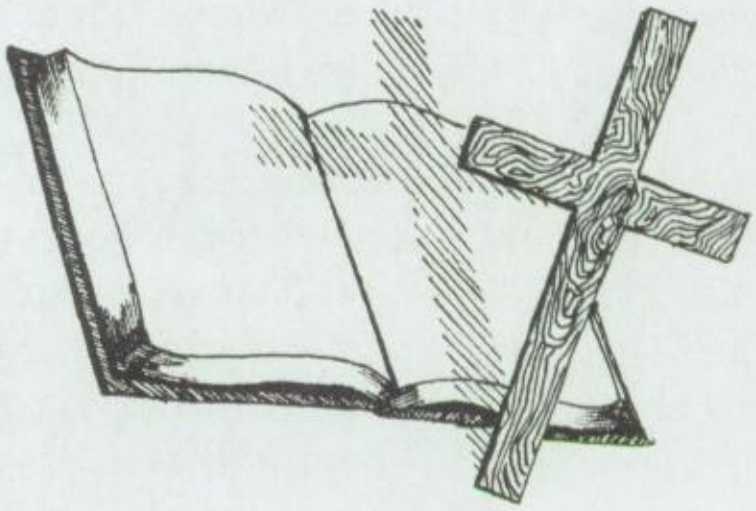
What a privilege we have to live in America. There is no place in the world quite like the United States. Beyond our industry, our scenic beauty, our natural resources and our untold wealth, we have the majesty of freedom and liberty. This is what our forefathers conceived for us when they settled this great land. That is why their prayer was, "God, bless America." And He has.

Freedom and liberty do not give us guaranteed success, but only the opportunity to achieve. What we do with this great opportunity will determine our success or failure! This principle is also true with our Christian school. Canyon Creek has been given only an opportunity. What the administration, the teachers, the parents, and the students choose to do with this great opportunity will not only decide what our school does in the future, but will also determine the impact we will have upon our future. We have the freedom to succeed or fail — It's up to us!

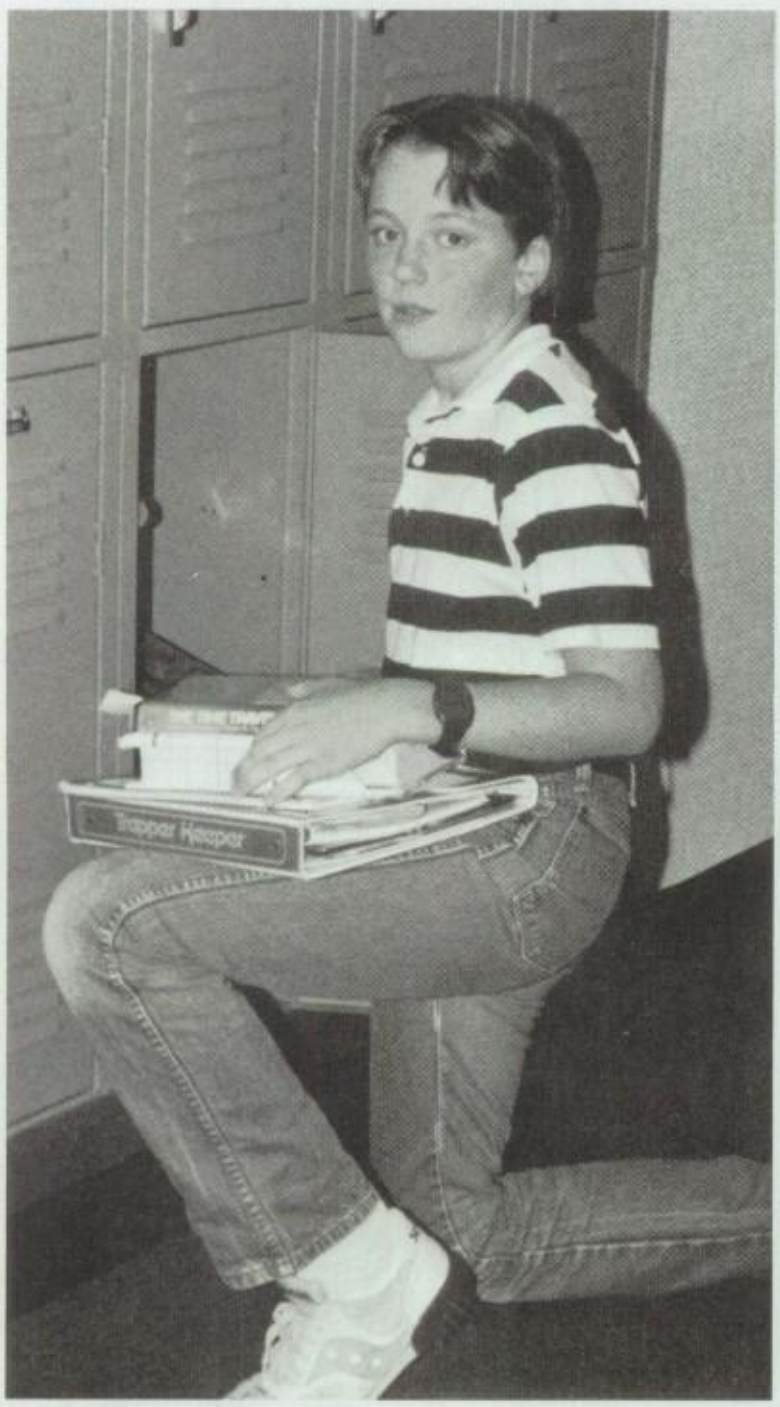
Then, freedom and liberty also carry with them great responsibility, responsibility to be thankful to those who have given us what we have, responsibility to do our best today and every day the rest of our lives, and responsibility to be sure that our children and our grandchildren have the same freedom and liberty that we enjoy today!

What a privilege we have to live in America. May our prayer be as those patriots of days gone by, "God, bless America" again!





Canyon Creek Baptist Church



Trapper Keeper

The 1985-1986 Cougar's Pride is dedicated to Mr. Ken White. The students and staff of Canyon Creek want to take this opportunity to express our gratitude and appreciation to him for his many years of dedication in helping many of us become what we are today. We also want to say, "Thanks," for the years of service in many different capacities, such as, principal, vice-principal, coach, teacher, associate pastor, youth director and most of all as friend! For this we want to express our deepest love and appreciation.

Thank you, Mr. White!

To Julie

So sweet and dear,
Congratulations on
Your senior year.
As parents
We are proud of you,
For who you are
And what you do,
You've been a blessing
In our life,
And you'll make someone
A really great wife!
We give our love and support
In the years ahead,
And we pray
That you will always
Be Spirit led.

Love,
Dad and Mom.

Daneen Rachelle Bearden

Dear Daneen;
You are so special! We love you, but more importantly, God loves you! I bless you in every good and pure way and pray that your spirit, soul and body will be given over to a life in Jesus' love.
